The Dickenson County Office of Voter Registration and Elections will continue to be staffed during regular business hours 8:30am to 4:30pm with NO public access. We will begin absentee voting on Friday, May 8th, 2020 for the upcoming county-wide Republican Party Primary to be held on June 23rd, 2020. All in-person absentee voting and voter registration will be handled curbside at the rear entrance of the Dickenson Center for Education Monday through Friday during regular office hours.

We strongly encourage any individuals needing to register to vote to do so by mail or online at <https://vote.elections.virginia.gov/>. The deadline to register to vote or to update an address for the June 23rd, 2020 Primary will be Tuesday, May 26th, 2020. If you wish to have a registration form mailed to you, please call our office and we will be happy to mail you one.

We strongly encourage all voters to consider requesting that an absentee ballot be mailed to them by using Reason Code 2A (disability or illness) on the absentee application so that they may vote from home. Anyone who wishes to vote from home may request an absentee ballot by visiting <https://vote.elections.virginia.gov/> or by contacting our office directly to request an application.

The final day to request an absentee ballot to be mailed will be Tuesday, June 16th, 2020.

The final day to cast an in-person absentee ballot will be Saturday, June 20th, 2020.

Any individual that needs to register to vote or vote absentee will need to drive to the rear of the building and follow the instructions provided on the glass doors or call our office at 926-1620 to let us know you are there.

Every vote counts, we are here to serve our voters and hope to make registering to vote or voting absentee as easy as possible during this time. Anyone with questions about absentee voting or the upcoming election is encouraged to contact the Office of Voter Registration and Elections at (276) 926-1620 or by email at rchildress@dickensonva.org or kdeel@dickensonva.org.
