

Photos for dickensonva.org

Requirements

- **Quantity:** 10-20
- **Minimum photo width:** 2200 pixels
- **Approximate photo size:** 1 MB or larger
- **Resolution:** 72 dpi or higher
- **Color mode:** RGB or CMYK
- **Preferred file types:** JPEG, JPG, TIFF, PSD, PNG

Recommendations

- Non-manipulated imagery will yield the best results. If possible, submit photos without Photoshop effects, cropping, or watermarks.
- Good images have an area of interest, include simple shapes and create an impression or elicit emotion.
- Provide images that can be used during any time of the year.
- Do not provide any photos that you would not want featured on your website homepage.
